RE: Friends of Tim Johnson - C00350421  
 July Quarterly Report (4/1/02 - 6/30/02)

Dear Ms. Palmer:

This letter responds to your correspondence dated October 16, 2002 referencing the July 15, 2002 Quarterly Report filed by our campaign committee. In response to the concerns raised in your letter, we have amended our July quarterly report. In accordance with your request, we have fully refunded all contributions received after the day of the 2002 primary election that were nonetheless designated for that primary election. A copy of the refund checks and corresponding letters are attached.

We have also enclosed documentation demonstrating the best efforts procedures we utilize to obtain employer and occupation information for contributors when such information is not initially disclosed to us. This documentation includes a sample copy of our solicitations and response devices as well as a sample copy of the letter we send to each contributor from whom we do not receive the federally required information. As a normal practice, we also include a self-addressed stamped reply envelope to facilitate the gathering of this required information. It should also be noted that we also attempt to obtain this information by placing telephone calls to the contributors as well as sending follow-up letters as necessary.

Lastly, as requested, we have amended our report to show the full and recognizable name of all political committees who donated to our campaign committee during this reporting period.

October 31, 2002

In addition to the above amendments, we have also amended our report to show three in-kind contributions made to our committee by the National Republican Congressional Committee during this reporting period, but not disclosed in our original report.

Sincerely,

James Bray  
Treasurer

Reference: July Quarterly Report (4/1/02-6/30/02)

Dear Mr. Bray:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

- X -Schedule A of your report discloses one or more contributions received after the Primary Election which are designated for the primary. These contributions may only be accepted to the extent that the committee has net debts outstanding from the primary election. (11 CFR §110.1(b)(3)(i))

A contribution is considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to have relinquished control over the contribution when it is delivered to the candidate, when it is delivered to an authorized committee of the candidate, or to an agent of an authorized committee of the candidate. A contribution that is mailed to any of the aforementioned recipients will be considered to have been made on the date of the postmark. Envelopes should be retained for the committee's records. (11 CFR §110.1(b)(6))

If any contribution in question was incompletely or incorrectly reported, you must amend your original report with the clarifying information.

If one or more contributions accepted exceeds the amount of net debts outstanding from the primary election, you must refund the contribution(s) or seek redesignation of the contribution(s), in writing, from the contributor to the next election. The Commission must be notified if a refund is necessary.

FRIENDS OF TIM JOHNSON  
PAGE 2

The funds can be retained if within sixty (60) days of receipt, the excessive amount was properly designated for a different election, by obtaining signed written authorization from the contributor(s) pursuant to 11 CFR §110.1(b)(5) or §110.2(b)(5).

If the foregoing conditions for redesignations are not met within 60 days of receipt, the excessive amount must be refunded. See CFR, §103.3(b)(1).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any refund and/ or any photocopies of letters redesignating the contributions in question. Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR §104.8(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund or seek redesignation of the excessive amount will be taken into consideration.

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in an election cycle. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1)) See 11 CFR §104.7(b)(1)(B) for examples of acceptable statements regarding the requirements of federal law.

FRIENDS OF TIM JOHNSON  
PAGE 3

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a request via mail, e-mail or telephone documented in writing. (11 CFR § 104.7(b)(2)) Follow-up requests should be done, if necessary. These requests must be documented clearly in the form of written records. The requests must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you should either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information and a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide for Congressional Committees and Candidates.

-Schedule A of your report discloses contributions from political committees but fails to include the full and/or recognizable name. Reporting only the name of the connected organization, abbreviating the name of the committee so it is unrecognizable or using an indistinguishable acronym is inadequate. (11 CFR §102.14(c) and 104.3(a)(4)(ii)). A listing of the full FEC-registered committee names, FEC Committee ID number and approved acronyms can be found on the FEC web site ([www.fec.gov](http://www.fec.gov)) or can be obtained by contacting the FEC Public Disclosure Division. Please amend your report to include the missing information.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in

its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

I would like to thank you for your \$500 contribution dated March 28, 2002 (check# 8186) designated for the 2002 Primary Election. To Whom It May Concern:

It has recently come to our attention that your check for \$1000 dated May 7, 2002 (check# 1669) was intended for Tim Johnson from South Dakota. Believing it was for our candidate, we deposited this check for our primary election as designated on the check. According to Federal Election Commission (FEC) guidelines, a check can only be designated for the primary if it is received prior to the primary election. Recognizing the incorrect election cycle receipt and the discovery that the contribution was not designated for our campaign committee, I am enclosing with this letter a full refund of this contribution in the amount of \$1000.

I apologize for any inconvenience this may have caused your committee.

Best regards,

Dear Mr. Bray:

On May 13, 2002 the Committee for the Advancement of Cotton sent you a check for \$500.00 and designated this check for the 2002 Primary. The Illinois Primary was over on March 19, 2002. Therefore we must ask for a refund at this time due to FEC regulations. Please return these funds as soon as possible as we must notify the FEC when they are received.

When we receive a refund we will issue a check for \$500.00 to the General fund.

Thank you for your assistance in this matter.

Respectfully,

*William R. Tracy*

I would like to take this opportunity to thank you for your contribution. I greatly appreciate your support as I seek re-election this year.

As you may know, I am required by law as a congressional candidate to disclose certain information about my contributors to the Federal Election Commission (FEC). Included in this is the requirement that I disclose the employer and occupation of each individual who contributes \$200 or more to my campaign. We are currently missing this information from you in our records.

The FEC has very strict laws regarding this matter and will pursue all parties involved if this information is not disclosed. I sincerely appreciate your timely response. Because the consequences of failing to comply with all FEC statutes include heavy fines and possible jeopardy of this campaign, it is essential that we receive this information as soon as is possible. You may call the campaign office at any time. If no one is present in the office at the time of your call, please feel free to leave the message on our confidential voicemail.

I truly appreciate your understanding and cooperation. Again, thank you for your support, and I look forward to hearing from you soon.

Sincerely,

Tim Johnson
