Mr. Chris Jones
Senior Campaign Finance Analyst

Dear Mr. Jones:

This letter is in response to your Request for Additional Information dated January 6, 2015 regarding the Tiberi for Congress (C00347492) 2014 Post-General Report.

It appears that our final 48 hour report which would have encompassed the referenced contributions, did not efile properly with the FEC. Handwritten notes on the check copies, as well as our softwares record of our efilings, confirm that the 48 hour report was attempted, but not received. In the flurry of the final days of the campaign, I did not notice the report did not go through.

All contributions were, however, completely and properly reported on the Tiberi for Congress 2014 Post General report. We will take steps to ensure that this does not happen again in the future.

Additionally, it should be noted that the Committee did not receive this RFAI via mail or email. I happened to notice it posted to the FEC website when looking for other information. Otherwise, we would have missed it and not been able to respond in a timely manner.

Sincerely,

Kristen Frissora
