Dear Ms. Johnson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Please amend your report by providing the purpose for each disbursement itemized on Schedule(s) B supporting Line(s) 30(b).

-Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "Payroll" to Margaret Allen, Benjamin F. Dudley III, and Jeffrey S. Fetterer, "Payroll taxes," and "Payroll Taxes." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any

reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

-Schedule H4 of your report discloses a payment(s) for "Voterfile development" and "Voterfile list." Please be advised that 11 CFR §100.24(b) defines as Federal Election Activity, Voter identification, Generic Campaign and Get-out-the vote activities conducted in connection with an election in which one or more candidates for Federal office appear on the ballot. Furthermore, the costs for these types of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

-Please clarify all expenditures made for "Fundraising consultant" and "Strategic Fundraising Consulting" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Alternatively, if the payment(s) on Schedule H4 is associated with fundraising activity conducted for your committee's federal and non-federal accounts, it must be allocated according to the funds received method and the ratio reflected on Schedule H2. Further, it must be categorized as a fundraising activity on Schedule H4. Please provide clarifying information regarding the nature of this transaction(s) and amend your report(s) as appropriate.

-Schedule H4 of your report discloses a reimbursement(s) to an individual(s), "Margaret Allen", for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement

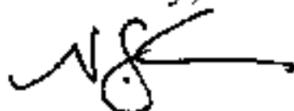

have to be itemized as memo entries regardless of the amount. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinion 1996-20, footnote 3

-Schedule H4 of your report discloses reimbursements to "Margaret Allen" for "Reim. Phone" and "Betty Johnson" for "Reimb. Workshop." Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
