RE: RFAI letter about April 2016 Monthly Report

Dear Ms. Juris:

Thank you for your letter of May 25, 2016. I have read your correspondence carefully and reviewed our filings for Fund for America's Future (C00388934).

We mistakenly designated a donation of \$5,000 to The Richard Burr Committee for the Primary Election after the Primary Election had occurred. It should have been designated for the General Election, and we regret the clerical error.

While we would like to rectify the situation by redesignating the donation to the General Election, we are now outside of the 60-day window when that process can be done via written authorization from our PAC. Therefore, we have requested a refund of the \$5,000 donation.

We are mailing to you a copy of the letter requesting the refund from The Richard Burr Committee. We will report the refund on Schedule A of the monthly report covering the timeframe when it is received.

Thank you for calling this issue to our attention and allowing us to correct the public record. Please feel free to contact me at (803) 255-5568 if you have any further questions regarding this matter.

Sincerely,

Thad H. Westbrook
Treasurer

Dear Mr. Gupton:

Fund for America's Future mistakenly sent your campaign a donation of \$5,000 designated for the Primary Election campaign on March 31, 2016 after the Primary Election had occurred.

While we would like to rectify the situation by redesignating the donation to the General Election, we are now outside of the 60-day window when that process can be done via written authorization from our PAC. Therefore, we are requesting a refund of the \$5,000 donation designated for the Primary Election campaign.

I apologize for this error. We will notify the Federal Election Commission of our request for a refund and file an amended report to correct the public record.

Please contact me at (803) 748-0300 if you have any questions or wish to discuss this matter.

Sincerely,
