With regard to your letter dated 9/4/02, America's Foundation includes a statement requesting the required donor information in every solicitation it does. It also includes language informing donors that federal law requires the Foundation to request such information from anyone who contributes more than \$200 annually. If a contribution is received without it, a written request for the information is mailed within 30 days, along with a pre-addressed return envelope. Any contributor information received as a result of the PAC's best efforts is reported to the Commission either in an amended report or on the next report it files. With regard to the transfer to the America's Foundation Non-Federal account, those funds were deposited into the wrong account initially and that Schedule B entry denotes the transfer of those funds to the correct account. With regard to the contribution from Frank Schoeneman, his last name was spelled incorrectly, thus the perceived error. The contribution to John Doolittle For Congress was incorrectly marked for the primary and has been changed. Likewise, the contribution to Doug Forester for Senate was for his primary debt but the word debt was left out. That has been changed as well. Mr. Swistock has been issued refund of \$1,000, which will be reflected on the next report filed by the PAC.
