Dear Mr. Thrash:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule H3 of your report discloses transfers received from your non-federal account which occur outside the permissible transfer period. Please be advised that transfers for shared activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. 11 CFR §§106.5(g)(2) and 106.6(a)(2) Please clarify the nature of these transfers-in from the non-federal account.

The Commission recommends that you immediately transfer the total amount received by your federal account outside the 70-day time period back to your non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Please clarify all expenditures for "voter registration" and "get-out-the-vote". In addition, if any of the voter registration or get-out-the-vote activities referenced House or Senate candidates, they should be allocated accordingly, unless merely incidental to the overall activity. If a portion or all of these expenditures were made on behalf of federal candidates, they should be reported on Schedule B or F for Line 23 or 25 of the Detailed Summary Page, as appropriate.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal
