Dear Mr. Bone:

On August 2, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 11, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You indicate on Schedule B supporting Line 23 that you have redesignated the contribution to Rogers For Congress dated March 29, 2000. Please provide the date on which you authorized, in writing, the redesignation of this contribution to the general election.

An adequate response must be received at the Commission by September 13, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
