Identification Number: C00404525

Reference: Amended Statement of Organization, received 2/8/07

Dear Mr. Kurzweil:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Line 6 indicates that your committee's apparent connected organization is "Wellstone Democratic Renewal Club." In addition, Line 6 indicates that "Wellstone Democratic Renewal Club" is a membership organization. However, this entity does not appear to be registered with the Office of the Secretary for the State of California.

If your committee is not a separate segregated fund because "Wellstone Democratic Renewal Club" does not meet the qualifications of a connected organization and there are no other committees or organizations with which you share control or financing, please check box 5(f) and indicate "None" on Line 6. Please amend your Statement of Organization to clarify these apparent discrepancies. 2 U.S.C. §433(b) and 11 CFR §102.2

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
