**Response Due Date:
October 6, 2008**

Identification Number: C00437822

Reference: July Quarterly Report (4/1/08-6/30/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 items:

1. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule B supporting Line(s) 21(b) of your report to clarify the following description(s): "Consulting services." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).
2. Please amend your report by providing the purpose for each disbursement itemized on Schedule B supporting Line(s) 21(b) and 29. 11 CFR §104.3(b)(3)
3. Schedule E of your report discloses the Calendar Year-To-Date Per Election for Office Sought total for President for the General election to be \$73,532.15 and \$304,290.44. Please amend your report to clarify this discrepancy.
4. Schedule E of your report indicates that your committee may have failed to file or timely file one or more of the required 48 hour notices for independent expenditures (see attached). A political committee must file a 48 hour report with the Federal Election Commission as specified in 11 CFR §104.4(b), within 48 hours of any independent expenditures aggregating \$10,000 or more with respect to a given election, made any time during the calendar year up to and including the 20th day before an

28039824596

election. The notice must be received by the Commission by 11:59 p.m. on the second day following the date on which independent expenditures that aggregate \$10,000 or more are publicly distributed or disseminated. These expenditures must then be fully itemized on Schedule E, or as memo entries on Schedule E and reflected on Schedule D if distributed or disseminated prior to payment, of the next report required to be filed by the committee. Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. 11 CFR §104.3(b)

5. Your committee has filed a 48 hour notice for an independent expenditure supporting John McCain (see below) which has not been itemized on Schedule E supporting Line 24 of the Detailed Summary Page. Please be advised that independent expenditures disclosed on 48 hour notices must also be itemized on a corresponding Schedule E or MEMO Schedule E and Schedule D (if applicable), in the appropriate reporting period. Further, if the actual payment(s) for the independent expenditure(s) occurs after the date of dissemination, the appropriate report(s) should continue to show payment on Schedule E and Schedule D, until the debt is fully extinguished. Please amend your report and any subsequent reports that may be affected by this correction.

Name of Payee	Date of Expenditure	Amount	Candidate Supported (General Election)
Mid America Printing**	6/17/2008	\$10,525.37	John McCain

**48-Hour Notices were filed on 6/22/08 and 6/30/08 to disclose two separate payments of \$10,525.37 to "Mid America Printing." However, Schedule E of your report only discloses one payment for \$10,525.37 to this vendor on 6/17/08.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please
