Attn: Debbie Manzano, Reports Analyst

Dear Ms. Manzano:

This is a response to your letter dated July 15, 1998, in reference to the Massachusetts Republican State Committee's (MRSC) Amended April 1998 Quarterly Report (1/1/98 - 3/31/98).

- There are no telemarketing expenditures on H4 made on behalf of specifically identified federal candidates.
- The revision date on the three fundraising events is January 1, 1998. Therefore, there is not an excessive non-federal transfer.

Please contact the MRSC if you have questions or need additional information.

Very Truly Yours,
