30 Day Post General Report (10/19/06 - 11/27/06)

Per your letter dated January 17, 2007 I would like to clarify some of our expenses.

The American Leadership Council PAC is Congressman Joe Knollenberg's leadership PAC, it is not his primary campaign committee. Expenses for "fundraising consultant" are for funds raised for the leadership PAC and not directly for any candidate.

The expenditure for "Rally" was also not for any specific candidate. It was a gathering for young republicans for basically a pep rally.

I thank you for your time in this matter.
