Dear David:

Upon reviewing the Victory NOW PAC bank statement for the month of March, I realized that I inadvertently omitted on my April 20 Monthly Report three contributions that were made to federal candidates. I also discovered an error in the amount of another contribution to a federal candidate.

I just filed an amendment to correct these oversights and errors. My apologies for the lack of accuracy of the initial report.

Please let me know if you have any questions. I can be reached at jenny.kensington@verizon.net.

Thanks.
