This amendment corrects an unintentional error in attributing prior contributions to the wrong election cycle. When initially entered, the contributions were attributed to debt-retirement of the 2014 general election. In reviewing the protocol it was discovered that these contributions did not meet the requirements. These effected contributions have been moved to the 2016 primary. Please note that the campaign committee has begun to raise debt retirement contributions in accordance with required protocols. Each qualifying debt retirement contribution is accompanied by a written designation from the contributor. Work information has been updated. Validation errors have been corrected.
