REFERENCE: AMENDED OCTOBER QUARTERLY REPORT (07/01/2020 - 09/30/2020)

Dear Mr. Dobi:

This statement is in response to the Commission's letter dated November 22, 2020 regarding three (3) items.

The Commission's letter requests clarification on contributions from two (2) LLCs (limited liability companies). As reflected on the Amended 2020 October Quarterly Report being filed concurrently with this response, these contributors used federally permissible funds.

The Commission's letter also requests clarification on contributions from nineteen (19) contributors disclosed on the Original Report that appear to exceed federal contribution limits. As described below, all of those contributions were properly and timely redesignated, returned to a joint fundraising committee ('JFC') in which the Committee participates for proper reallocation, refunded to the contributor, or clarified as will be reflected on either the Amended 2020 October Quarterly Report being filed concurrently with this response, on the Committee's recently filed 2020 Pre-Runoff Report, or on the Committee's upcoming Year-End Report: Five (5) of the contributors had or will have their excessive contributions returned to the joint fundraising committee (Perdue Victory, Inc.- C00571620 or Team Perdue - C00578542) from which they came, to be reallocated to other JFC participants. - Six (6) contributors' contributions were redesignated to another election. - One (1) contributor's contribution was reattributed to his spouse. - Five (5) contributors had the excess portions of their contributions refunded. One (1) contributor's contribution was reported with incorrect election designations due to a clerical error. One (1) contributor's contribution was merged with another contributor due to a clerical error. The contributions which were reported with the incorrect election designation and which were incorrectly merged will be corrected on the respective Original Reports.

The Commission's letter also requests clarification on a contribution from one (1) contributor that is not a political committee registered with the Commission. The Committee has verified that this contributor used federally permissible funds.

Please feel free to contact us if you have any further questions.

Sincerely,

Bradley T. Crate
