1) The contributions transferred from the Committee to the connected organization were raised in 2003-2004 pursuant to Advisory Opinion 2003-23. After the designated recipient did not accept the contributions, the Committee offered each donor the opportunity to redirect their contribution to the connected organization or receive a refund. The Committee has been contacting individuals who did not respond and the transfer is funds from individuals who have since authorized their contributions for use by the connected organization. 2) The report is amended to report the earmarked contributions correctly. Due to a mistake in either the import file or FECFile 5 import process, the day each earmark reported on Schedule B was disbursed was imported into the amount field rather than the amount of the contribution forwarded. 3) The expenditures for printing, postage and mailing expenses reported on Schedule B, Line 21, are for the portion of mailing expenses allocable to the Committee and it's connected organization. The portion of the mailing expenses allocable to federal candidates are reported on Schedule B, Line 23, as in-kind contributions to the authorized committees.
