Reference: 30 Day Post-General Report (10/14/04-11/22/04)

Dear Mr. Buckels:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line(s) 17 of your report discloses a receipt(s) from a candidate committee(s) (see attached) which requires further clarification. For example, if this activity represents a **transfer of funds**, please indicate "**transfer**" on Schedule A supporting Line 17 of your report. If this activity represents a reimbursement for services provided to this committee, please indicate this on Schedule A supporting Line 15 of your report. Please amend your report to clarify the type of activity this receipt(s) represents.

-The totals listed on Lines 6(c) and 18(a), Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your calculations for Line 8 appear to be incorrect. Cash-on-hand at the close of the current reporting period should always equal the closing calendar year-to-date cash-on-hand amount. Please provide the corrected total on the Summary Page.

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2))
The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-Schedule B supporting Line 30(b) of your report discloses a payment(s) for **"FEA Automated Phone Calls, FEA Phone Banking, FEA Recorded Phone Message, and FEA Volunter Mass Mail"** which is categorized as Federal Election Activity and therefore, may require the disclosure of the candidate(s) this activity should be attributed to. Expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, please be advised that public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

-Schedule B supporting Line 30(b) of your report discloses a payment(s) for **"FEA Slate Card"** which appears to meet the definition of Federal Election Activity ("FEA") and may also meet the conditions of exempt party activity as defined under 11 CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149. Please be advised that activity which simultaneously constitutes both exempt activity and FEA must be paid for as an FEA activity.

If this apparent exempt activity represents Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot, it is considered to be Federal Election Activity. If this apparent exempt activity represents Voter Registration activity during the period that begins on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held and ends on the date of the election, it is considered to be Federal Election Activity. 11 CFR §100.24

If this apparent exempt activity is a public communication(s) (as defined under 11 CFR §100.26) that refers to a clearly identified candidate for Federal office and promotes, supports, attacks or opposes any candidate for Federal office, it meets the definition of Federal Election Activity under 11

25038823407

CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b).

Please amend your report to clarify (1) whether the activity disclosed meets the conditions of exempt party activity and (2) the type of FEA this activity represents or provide clarifying information as to why it does not meet the definition of FEA. In addition, please properly disclose this activity if necessary.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) **B and H4** of your report to clarify the following description(s): **"Admin-Professional Services, FEA Consulting, FEA Professional Services, Fundraising Expense, Office Expense, and Professional Services."** For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule A supporting Line 12 discloses a transfer(s)-in from the **National Republican Congressional "Commit", National Republican Senatorial Committee, and the Republican National Committee.** Schedule B supporting Line 21(b) reflects payments for **"FEA Bumperstickers and FEA Yard Signs"**. Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Party Committees.

Please clarify the nature of the transfer(s)-in and subsequent payments for the aforementioned disbursement(s). If the activity disclosed on your report does not meet the definition of "exempt" activity as described above and if any portion of the expenditures were made on behalf of specifically identified candidates, that amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate.

-Please clarify all expenditures made for "**Facility Rental and Forum Expenses**" on Schedule(s) **B and H4**. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules **B, E, or F** supporting Lines **23, 24, or 25** and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-Your report disclosed certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. Contributions from other political committees (such as PACs)("Pacific Corp., Union") and apparent "transfers" from affiliated committees ("Club of Jefferson, Republican Womens, Republican Womens C Slidell Republican, and Mississippi Republican Party") should be properly disclosed on a separate Schedule(s) A, supporting Line(s) **11(c) and 12**, respectively (**not Line 11(a)(i) or 11(b)**) of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please
