Amended September Monthly Report (8/1/04-8/31/04)

This letter is in response to the commission's letter dated March 31, 2005, referencing the Amended September Monthly Report. The commission requested additional information regarding disbursements disclosed on Schedule B.

The disbursements described as "FEA Candidate Collateral Material" represent exempt party activity. All of the materials purchased meet the definition of exempt party activity and therefore do not constitute an in-kind contribution. The disbursements were paid for with permissible funds for exempt activity. All materials were distributed by volunteers.

Disbursements described as "001 Office Supplies" represent the purchase of the following office materials: toner, paper, paper products, envelopes, and writing utensils. Disbursements made for "001 Staff Appreciation", "001 Volunteer Appreciation", and "001 Volunteer Appreciation Reimbursement" represent purchases made for food and beverage for office staff and volunteers during the workday.

No totals have been changed by this clarification.

Sincerely,
Jessica Moenning
Executive Director
