Dear Ms. Kitchen:

This is in response to your letter dated October 9, 2002, regarding the contributions made by the SmithKline Beecham Corporation Political Action Committee (GlaxoSmithKline PAC) to Anna Eshoo for Congress and to Dooley for Congress. Your letter notes that these contributions were designated to the Primary election after the election was held.

In reviewing our records, we found that the contribution designation was incorrectly disclosed on the GlaxoSmithKline PAC Monthly Report due on April 20, 2002 due to a clerical error. Therefore, we are submitting an amendment to the Monthly Report due on April 20, 2002 which changes the designation of this contribution to the General 2002 election. In addition, we have verified that the recipient committees did correctly designate the contributions to the General 2002 election on their reports.

Finally, in regards to your comments that lines 11(c), 11(d) and 28(a) show incorrect year-to-date totals, in reviewing our records we discovered that due to clerical errors, some totals were inadvertently placed on the incorrect lines on the Monthly Report due on March 20, 2002. We are also submitting an amendment to the Monthly Report due on March 20, 2002, which should correct the discrepancies you found on the April 20, 2002 report.

Please contact me at (919) 363-7853 if you require additional information.

Sincerely,

Gary Salamido
PAC Treasurer
