RE: 2004 May Monthly Report (C00055582)

This letter is in response to your inquiry dated June 23, 2004 regarding the above-referenced report.

Please be advised that all of the \$33,353.45 of payments disclosed for DIRECT MAIL FUNDRAISING PROJECT 304 and YEAR-END TELEMARKETING PROJECT on Schedule B of this report reflect expenditures that support fundraising activities, which raise 100% federal monies for the Committee. In particular, these expenditures were for our ongoing direct mail and telemarketing fundraising solicitations. No expenditure financed any communication which referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any candidate for Federal office.
