

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

RQ-2

February 28, 2013

JACOB C. RICHTER, TREASURER
KRISTIN JACOBS FOR CONGRESS
2600 NE 14TH ST CAUSEWAY
POMPANO BEACH, FL 33064

Response Due Date
04/04/2013

IDENTIFICATION NUMBER: C00512368

REFERENCE: OCTOBER QUARTERLY REPORT (07/26/2012 - 09/30/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report discloses one or more contributions that appear to be from a limited liability corporation (LLC) (see attached). 11 C.F.R. §110.1(g) allows the receipt of contributions from LLCs providing the LLC is treated as a partnership for tax purposes, and has not elected to be treated as a corporation by the Internal Revenue Service (IRS). Both LLCs that claim corporate status and those that publicly traded would be treated as corporations for FECA purposes.

Please amend your report to clarify if the LLCs in question are treated as partnerships. If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B supporting Line 20(a) of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

2. While it is permissible for a person to make a contribution for the general election prior to the primary election, the recipient committee must employ an acceptable accounting method to distinguish between primary and general election contributions. (11 CFR § 102.9(e)) This general election amount must be maintained in the committee's account.

Since the candidate did not participate in the general election, any contribution received for the general election must be returned to the donors or redesignated to the primary if your committee has net debts outstanding for the primary election. The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions. To redesignate a contribution the committee must either (1) obtain signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election, or (2) redesignate the contribution by presumption to the primary election, for undesignated contributions made after the primary but before the general election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing. The notification must give the contributor an opportunity to request a refund. A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i) and (5)(ii)(C))

Any subsequent report(s) filed with the Commission must disclose the refund or redesignation of any general election contribution. Refunds or redesignations must be done within 60 days after the 2012 Primary Election.

Although the Commission may take further legal action, your prompt action to refund these contributions will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.

If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1187.
