January 24, 2006 Katrina Senger Federal Elections Commission RE: California Republican Party FEC ID# C00140590 December Monthly Amendment (11/01/05-11/30/05) Dear Katrina Senger, Please be advised that the committee is paying for its voter registration expenses in the following manner as previously directed by the Federal Elections Commission. The committee pays the federal share directly out of the federal account and pays the nonfederal or Levin share directly out of the nonfederal or Levin account. The committee is aware of the types of activity that must be reported on Line 30(b) as FEA. Please note that none of the activity on Line 21(b) or on the H4 schedule is FEA or contains express advocacy. The committee is also aware that certain public communications must be reported if a federal candidate is identified. Since the committee controller and treasurer review all expenditures and their classifications, please be advised that if there is an expenditure that is identified as FEA, it is paid and reported accordingly in the correct manner. In regard to occupation and employer information requested, a letter is sent to those donors whose contributions exceed $200, but did not provide us with their employer and occupation on our initial contribution solicitation which sites the FEC regulation for the requested information. The committees policy is to send a follow-up letter within thirty days of the original contribution to request this information with a pre-addressed envelop enclosed for the return of such information. All such information received is reported accordingly. If information is received after the reporting deadline, the committee will amend the appropriate monthly report. Sincerely, Doug Boyd California Republican Party
