Reference: April Monthly Report (3/01/07-3/31/07)

To Whom It May Concern:

We are in receipt of the Commission's letter regarding the above referenced report. Please find our complete response below.

Our committee utilizes a staffing agency for our personnel needs. This payment is itemized monthly. Our committee paid over \$22,000 during the first quarter.

Our rent is also paid on a monthly basis. It is inclusive of all utilities except for a usage charge for telephones. These charges are also itemized each month and totaled over \$8,500 in the first quarter.

We own our copier and printer so you will not see any leasing fees for that equipment. We do purchase all of our office supplies and postage for our usage (not another federal committee) and those expenses have totaled several hundred dollars over the first quarter as well.

We trust that this response clarifies our regularly recurring administrative expenses. We are completely self reliant and do not receive in-kind contributions for any of these expenses.

Thank you for the opportunity to respond, we trust that this completes the public record.

Sincerely,
