Federal Election Commission

Attn: Ms. Eger

Thank you for your letter dated March 1, 2012.

We have filed an amendment to include the requested items. Here is some additional information.

1. Regarding Lee Holmes negative aggregate year to date, he was issued a refund during 2011 for contribution from a prior year therefore his year to date total is reflecting that refund. Please see the form 99 filed on 1/18/11 for additional clarification on his refund.

2. We have moved the voided checks to Schedule B.

3. We have clarified the reporting descriptions related to consulting services.

4. We have reviewed the descriptions and added the missing for 5/16/11.

5. We have added sub vendors for travel.

6. We have added the State in the description field.

7. Regarding 48 hour notices, I added up the Russo Marsh + Associates on Schedule E and B and come up with \$65,316.45 on both, there was one transaction for \$785 for candidate Dick Lugar that is include on E and B, but was not included on a 48 hour report since it was under the threshold for that candidate.

8. The mail expenses were for fundraising and the descriptions have been updated.

Thank you
