Re: Accts: C00009845
C00254839

Dear Mr. Ryan

Enclosed are the Form 3X reports for the above accounts for the period 1/1/95 - 6/30/95.

In filling out the forms for account 9845, I discovered that I had made several errors in allocating expenses and transferring funds from the non-federal accounts to our federal account. Being still new at the job, I'm still learning by the "trial and Error" method.

The first error I made was in handling the allocation of expenses on the H schedules for a dunk we held last February. I did not think of it as a "Fund Raiser" but as an administrative affair and used the "ballot composition" method to allocate the expenses between our federal and non-federal accounts. The result was I transfered 50% of the expenses from our Non-Federal to our Federal account. As going over the items for this report, I realized I should have used the "Funds Received" method for a fund raiser. I reported the transactions on the H reports the way I recorded them on our books and will correct the errors in August. specifically I have to transfer funds back to the N.F. Account as the correct ratio should have been 86% Fed, 14% Non-Fed. I will bracket the expenses on the H-4 report for the new period, likewise on the H3 report and show the correct percentage on the H2 report for the "State of the County Brunch". I did include the expenses as "Fund Raising" expenses on the H-4 report, which will require a reduction in the year-to-date column.

3720 Farragut Avenue • Kensington, Maryland 20895 • 301/946-1000 • Fax 301/946-1002

95039910286

The second error I discovered was that I counted 5 expense items, totaling $652.50 twice when making allocations between our Non-Federal and Federal accounts. Earlier in the period, I had counted the 5 items as "administrative" expenses and using the "Ballot Group" method, transferred 50% of these expenses to our Federal account from our N.F. account. Later, I counted the expenses again as part of our "Spring Ball" fund raising event and using the "Funds Received" method, transferred 25% of the expenses from our N.F. to our Fed account. The 25% method was the correct method. I reversed the transactions on the H-4 schedule just as I did them, which will require a reversal on the new period. It will transfer 50% of the $652.50 back to our N.F. account and show the reduction as brackets in the specific expense items on the next H-4 report (also adjusting the Year-to-date - balances.

If you have any questions or advise me to handle the transactions on a different manner, please advise. Hopefully, I won't make the same mistakes twice

Sincerely yours
Montgomery County Democratic Central Comm.
