Your letter inquires about the reporting of contributors on Form 5. The RE: Year End Report (10/26/2012 - 12/31/2012)

Commission's regulations require the disclosure of contributors when a "contribution was made for the purpose of furthering the reported independent expenditure." 11 C.F.R. ss 109.10(e)(1)(vi). America Votes had no such contributors to report; as a matter of policy, it does not accept contributions earmarked for a specific political purpose.

If you require further information or clarification, please contact me.

Sincerely
Susan Finkle Sourlis
CFO
