Dear Mr. Walker:␣

␣

Fund for a Responsible Future began filing monthly FEC reports in February 2002; however no request to do so was filed at that time. Pursuant to 11 C.F.R. Section 104.5(c), the Fund for a Responsible Future requests to continue to file on a monthly schedule. The next report to be filed in accordance with our new filing frequency will be the May 20th monthly report.

π

Please let me know if you have any questions. Thank you for your attention to this matter.□

␣

Sincerely.␣
