Mr. Corbin Jones
Report Analyst
Federal Election Commission
999 E Street, NW
Washington, DC 20463

Dear Mr. Jones:

Per your request, this letter confirms that the payments GT PAC received from Obama for America do represent the "usual and normal charge" for the goods and services provided.

We determined the amounts charged by direct reference to the prevailing market charges for commercial vendors who provide similar goods and services in the ordinary course of their business. GT PAC invoiced the Obama for America committee for all the goods and services it provided at full market value, which in some instances was higher than GT PAC's cost, in order to have Obama for America pay the same rates and charges it would have paid had it contracted with commercial vendors directly.

Please feel free to contact me at schulmanc@gtlaw.com if you have any questions or need any further information

Sincerely,

Clifford A. Schulman
