RE: ID# C00000935
Democratic Congressional Campaign Committee (DCCC)
Regarding: June Monthly Report (05/01/12-05/31/12) and
July Monthly Report (06/01/12-6/30/12)

Dear Ms. Miller:

This letter is in response to your request for additional information regarding the above referenced reports.

The Democratic Congressional Campaign Committee (the Committee) has amended its June Monthly Report and July Monthly Report to identify the Democratic nominee in California's 26th District as the Name of Federal Candidate Supported in connection with certain expenditures made pursuant to 2 U.S.C. 441a(d). The Committee incurred the expenditures in question to oppose a non-Democratic candidate before the date of the primary election, when it did not know, and had no way of knowing who the Democratic nominee would be. See, e.g., Advisory Opinion 2003-23 (WE LEAD). With the primary concluded, and the Democratic nominee selected, the Committee has now amended its report to identify the Democratic nominee as the candidate supported. If you have further questions, please contact the Committee.

Thank you for your attention to this response. Please contact us if you have any questions at (202) 485-3401.

Sincerely,
Kelly C. Ward,
Treasurer
