Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule B supporting Line 23 of your report discloses a \$2,500 contribution to Doggett for U.S. Congress with the purpose "Stop Payment - Check Lost in Mail." If the check was written and previously reported by your committee but was never cashed, you should itemize the voided check on Schedule B supporting Line 23 as a *negative* entry. Please amend your report to correct this discrepancy or provide clarification regarding this transaction. -

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
