Dear Ms. Denny:

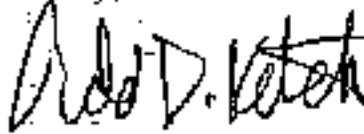

Please accept the attached responses to your November 19 inquiries.

The amendment to the ADAPAC 1999 June 20 Monthly Report clarifies the designation of a May 7, 1999 contribution to Phelps for Congress for 1998 general election debt retirement.

Additionally, attached is an amended form 3X for the ADAPAC 1999 March 20 Report that includes the signature of the Assistant Treasurer that was missing from the original report.

If you have any questions or require further clarification, please call me at 202/371-0500. Thank you.

Sincerely,

Todd D. Ketch
Assistant Treasurer
