In response to correspondence from the FEC regarding the Amended Quarterly Report for the Fred Kundrata for Congress Committee, ID No.: C00559336, dated September 8, 2016, the Treasurer, William M. Bristol, states as follows: In response to a previous request for clarification from the FEC regarding the initial Quarterly Report filed, it was discovered that a contribution from the candidate was not included on the original filing that was then subsequently included. The contribution from the Candidate was the response to the original clarification request as to why the cash balance of the campaign could have been a negative number. The Amendment of the Quarterly Report is therefore also a response to this request for clarifying information. The missing information on the original report was an oversight that was subsequently corrected on the Amended Report.
