

Re. FEC letter dated July 14, 2006 referencing April Monthly Report

As the above FEC letter pointed out, NORPAC's original June 2005 contribution of \$5,000 to the Menendez for Congress primary campaign was converted to the Menendez for Senate primary. Thus, our March 2006 contribution of \$5,000 to the Menendez for Senate primary put us over the limit for that election. After receiving the FEC letter, we contacted the Menendez for Senate campaign on July 25, 2006, and requested a refund of \$5,000.

On August 14, 2006, we received a contribution refund of \$5,000 from the Menendez for Senate campaign, in the form of a check (#10005) dated August 4, 2006. This will be reflected in our report covering August 2006, to be filed by September 20, 2006.
