This Form 99 is in response to your letter dated 12/16/11 requesting confirmation that Every Republican Is Crucial PAC (ERIC PAC) received a contribution from the Commercial Mortgage Securities PAC federal political committee. On 7/12/11, ERIC PAC received a \$5,000 contribution from Commercial Mortgage Securities Association PAC (C00411173).

I have sent a copy of the check by fax for your review. As you will see, the check is in the name of Commercial Mortgage Securities Association PAC. Publicly available FEC records suggest that the Commercial Mortgage Securities Association PAC may have changed its name to Commercial Real Estate Finance Council PAC. Nonetheless, you indicated during our discussion on 1/3/12 that ERIC PAC need not take any additional action on this matter. Please let me know if you need any additional information.
