Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Please amend Schedule B supporting Line 23 (earmarked contributions) by providing the office sought (House, Senate, or President), state and congressional district, if applicable for each contribution made. 11 CFR §104.3(b)(3)(ii) and (v)
2. Schedules A and B of your report disclose earmarked contributions. If the contributions passed through your committee's account, each must be itemized on Schedules A and B, regardless of the amount. If the earmarked contributions were forwarded in the form of the contributor's check, they should be disclosed as memo entries on Schedules A and B. For disclosure purposes, the name and mailing address for each contributor must be provided, and where the contribution exceeds \$200, the individual's occupation and name of employer must also be itemized. Please amend your report accordingly by providing the omitted information. 11 CFR §110.6(c)(1)(v)

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action

will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
