Dear Analyst:

This letter is intended to address your Request for Additional Information issued on May 2, 2008.

1) The Minnesota - Coleman Victory Committee included a transactional memo in its Year-End 2007 Report alerting you to the refund of the excessive portion of (donor) Rosie Owen's contribution in the 1st Quarter of 2008. That refund, in the amount of \$3,625.00, was remitted in the 1st Quarter and thus appears in the April Quarterly Report filed by the Committee on April 15, 2008. An image of the refund check has been sent via certified mail to your attention.

2) The Minnesota-Coleman Victory Committee has limited administrative expenses and does not incur regular operating expenditures such as rent, utilities, and/or salaries.

All necessary vendors and consultants are paid directly, and all minimal operating expenditures are properly disclosed in each monthly report submitted to the Federal Election Commission.

FEC regulations require joint candidate committees to disclose all disbursements derived from the committee's account, and to disclose any connected organization(s). The Minnesota - Coleman Victory Committee has disclosed this information in its Statement of Organization, all expenses have been adequately disclosed, and it remains in full compliance

The above notification should serve for the duration of the 2008 election cycle.

Should you have additional questions or requests, please do not hesitate to contact me.

Sincerely,

Anthony G. Sutton
Treasurer
Minnesota - Coleman Victory Committee
