This is in response to your Letter of Inquiry dated July 19, 2012 regarding ERIC PAC's May Monthly Report (04/01/2012-04/30/2012). Your letter indicates that the Report discloses a primary election contribution from ERIC PAC to Patriot's for Perry was made after its primary election date but was reported a primary contribution by our PAC. Please note that the ERIC PAC contribution check indicated in the memo line that the contribution was to "retire primary debt 2012". However, due to a clerical oversight, the ERIC PAC May Monthly Report did not specify that the contribution was noted "to retire primary election debt". We have amended our ERIC PAC's May Monthly Report to clarify the contribution was to retire primary election debt.
