RE: 30 Day Post General Report (10/16/08-11/24/08)

Dear Ms. Rocco,

I am writing in response to your February 25, 2009 letter in reference to your review of the above report.

1. An amendment was filed today for the above report to properly reflect Column B figures. The reason for the discrepancy related to an \$840 expenditure that was inadvertently entered twice into the software.
2. All expenses incurred by the Cantor Victory Fund (CVF), a joint fundraising committee, were made on behalf of CVF and are ultimately borne by the joint fundraising participants in proportion to the amounts raised for them by CVF. The amended report clarifies that all reported expenses are 'CVF' expenses.

Please advise if I can assist you with any further questions.

Sincerely,

Rose Ann Janis
Treasurer
Cantor Victory Fund
