Dear Mr. Bors:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report contains information disclosed on Schedule H4. This schedule is used by committees which have separate federal and non-federal accounts to disclose the allocation of funds for expenditures between the two types of accounts. Your reports do not show payments from a non-federal account on a Schedule H3, as would be customary for committees who allocate between accounts. If your committee does not maintain a non-federal account, all disbursements should be disclosed on a Schedule B and no allocation schedules filed. Please clarify the procedures you are currently using to allocate shared expenses if any, and report future disbursements appropriately.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Other disbursements (i.e. contributions to non-federal candidates/committees) should be properly disclosed on a separate Schedule B (if applicable), supporting Line 29 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days

of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,

*Andrea Wilkens*
