Dear Ms. Aurand:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The Column B totals listed on the Summary and Detailed Summary Pages appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your calculations for Line 8 appear to be incorrect. Cash-on-hand at the close of the current reporting period should always equal the closing calendar year-to-date cash-on-hand amount. Please provide the corrected total on the Summary Page.

-Your report includes computer produced formats of the Detailed Summary Page and all schedules. Computer produced formats may only be used upon prior approval of the Commission. You should submit a separate sample format with a cover letter requesting approval. Until your format has been approved, FEC forms must be used.
11 CFR §104.2(d)

-For future filings, please note that your committee need only file the pages on which you have itemized activity. Schedules with no activity may be omitted.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.
