Dear Mr. McAllister,

This letter is in response to the FEC inquiry dated February 21, 2013.

Patriot Prosperity PAC has filed an amended 24 Hour Notice for activity taking place on November 2, 2012.

The committee did file a 24 Hour Notice on-time on November 3, 2012 reflecting activity from the prior day to Target Enterprises. The second expenditure was made to that same vendor, but the FECFile software did not include both expenditures from November 2, 2012 on the report.

As you can see, the committee corrected its report within 24 hours of receiving your letter.

If you desire any additional information, please feel free to contact me via telephone, email, or mail.

Sincerely,

David Satterfield
Treasurer
Patriot Prosperity PAC
