Women s Political Committee
Form 99

This responds to your request for additional information dated December 1, 2010. The transaction at issue, a \$10,000 donation to the Feminist Majority, was a donation to the Feminist Majority s independent expenditure account (FEC ID# C90010646), not Feminist Majority PAC (FEC ID# C00377168). Feminist Majority s independent expenditure account is not a federal political committee and makes independent expenditures only. It does not make contributions to federal candidates (whether direct, in-kind, or via coordinated communications). Thus, donations to the Feminist Majority s independent expenditure account are not subject to federal contribution limits.

You should also be advised that the donation was disclosed by the Feminist Majority s independent expenditure account on its Form 5 (filed October 19, 2010).
