To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

The excessive portion of the contribution from R. Robert Baughan, Jr. was reattributed to his spouse on 10-25-12. It was reported on the Post General Report filed by the Committee. A refund was issued to ICR Contracting, LLC on 11-8-12. This transaction was also reported on the Post General Report.

Both C&P Advisors, LLC and R&W Properties are partnerships. For C&P Advisors there were six and for R&W Properties there were two partners credited with part of the total contribution. So, in both cases, the individual partners were captured in the Committee database but, in both cases, no partner reached the itemization threshold.

Our procedures are in compliance with the best efforts provisions cited in your letter. As an initial matter, all committee solicitations request the employer and occupation and notify the donor that the Committee is required to report that information. For those donors who choose not to provide the occupation and employer information, the Committee (within thirty days of receiving the contribution) sends the required follow-up letter, which asks the donor again to provide the information, and again advises the donor of the obligation of the Committee to report the information. These follow up letters include a pre addressed return envelope for the convenience of the donor. Finally, all such information received is captured in our database and reported going forward.

Thank you for the opportunity to respond.

Sincerely,
Snuffer for Congress
