On 2.22.2012, the Democratic Party of Wisconsin received a Request for Additional Information. We were asked to address five specific items. Our responses are outline below:

1. ""Political consulting"" was a payment made to an independent contractor for field consultant work. This consultant did not advise on fundraising, nor communications.
2. All missing address information has been provided in the amendment.
- 3.All ADP salary memos are present in the new amendment. There are additional disbursements to ADP for payroll-processing that do not have memos attached, as they are not required. These are simply fees to ADP for payroll processing.
4. All credit card memos are present in the amendment.
- 5.Schedule H4 of our report discloses payments for ?Intern Stipend.? These expenditures do not represent reimbursements to any individuals for travel or other expenditures.
