With respect to the 2004 Year-End report, please note the following: There were no transfers received from Dollars for Democrats during the Pre-General, Post-General and Year-End reports because there were funds retained in the Dollars for Democrats account that will be transferred to the New York Democratic Party sometime in 2005. This explains why the memo schedules for the Year-End report are higher than the transfers in received during the Pre-General, Post-General and Year-End reports since the committee discloses memo schedules on a quarterly basis based upon contributions received by Dollars for Democrats.
