Reference: FEC Form 1 filed 02/03/04 (FEC-107584)

The referenced filing is an amendment to the Potlatch Employees' Political Fund (C00041608) Statement of Organization. However, line 4 of the form as filed indicates that it is a new Statement of Organization. This is incorrect.

Our original Statement of Organization, as well as our original Notification of Multicandidate Status, were filed in 1976. The amendments being filed on 02/03/04 are being filed electronically in accordance with FEC rules. Since the original Statement of Organization had not been filed electronically, I was unable to file the 02/03/04 Form 1 as an "amendment".
