TO: Federal Election Commission  
FR: Susan Williamson, Assistant Treasurer  
NCFC CO-OP/PAC

Today we filed an amendment to an amended report filed on 1/23/06. The original filing was FEC-169510. The first amendment was FEC-197072. The amendment filed today was FEC-208668. This amendment is in response to a notice by the Commission that one contribution to NCFC CO-OP/PAC was from an organization that was not registered with the Commission. That organization has changed its name and had not notified us. We originally reported a contribution from Cenex Harvest States PAC. The new name is CHS INC.-Alliance LLC PAC. The amendment filed today corrects that name.
