Fearless PAC 9/10/2014
TO Whom it May Concern,

A miscellaneous report was incorrectly attributed to Fearless PAC (COO540955) on September 2, 2014 which resulted in changes being made to the committee information. This report was mis-attributed to Fearless PAC due to a dataentry error on a FEC1 form intended to update the records of another committee. An updated Statement of Organization for the Fearless PAC was submitted today, September 9, 2014, to correct the error and reinstate the proper committee information.

We apologize for any inconvenience this oversight may have caused.

Should you have questions, please contact Assistant Treasurer Sally Chafee and 720-278-1249 or sally@fearlesspac.com.
Thank you
