REFERENCE: STATEMENT OF ORGANIZATION

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the filing referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. An adequate response must be received at the Commission by the response date noted above. Additional information is needed for the following 2 item(s):

1. On your Statement of Organization (FEC FORM 1) you have selected multiple committee types. Please be advised that your committee may only select **one** Type of Committee. The Statement of Organization must provide the name, address and type of committee. (11 CFR § 102.2(a)(1)(i))

Please clarify your committee type by amending your Statement of Organization to disclose the correct committee type. This can be done in Section 5 "Type of Committee" on the FEC Form 1 by checking **one** of the boxes labeled (a) - (h) and providing any additional information requested for the selected committee type.

2. The name of your Principal Campaign Committee (PCC) does not include the candidate's name. Commission regulations require that your PCC include the name of the candidate who authorized the committee. (11 CFR 102.14(a)) Please amend your Statement of Organization (FEC Form 1) to disclose a Principal Campaign Committee name that also includes name of the candidate.

Please note you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit

of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
