RE: Letter received regarding May Monthly Report (4/1/10 – 4/30/10)

Identification Number: C00211763

Dear Ms. Miller,

In response to your letter dated June 23, 2010 requesting additional information as to “payments from a federal candidate committee(s) for goods and/or services provided by [the] committee,” this letter is to serve as notification that the amount charged to federal candidate committees were of a fair market value.

Based upon the market value of the cost of data in Delaware, all statewide candidates paid the fair market value for the voter file data. Also, the rent charge to the federal candidate committees is the fair market value determined through a calculation of square footage of the office space as well as other utilities included.

I hope that this has provided additional information for any concerns that you may have. Please feel free to contact me at (302) 328-9036 with any additional questions.

Sincerely,

Helene M. Keeley
Treasurer
