Re: October Quarterly Report (07/01/2012 - 09/30/2012)

This letter responds to your request for additional information dated September 16, 2013, regarding independent expenditures reported on Emergency Committee for Israel's ('ECI') 2012 October Quarterly Report.

1) Your letter requests information related to Schedule 5-A of the 2012 October Quarterly Report. Nothing was itemized on Schedule 5-A of this report because the independent expenditures disclosed on the report were paid for using ECI's general corporate funds. There were no contributions made for the purpose of furthering the reported expenditures. 11 C.F.R. 109.10(e)(vi).

2) Your letter requests the full address for The Jerusalem Post, one of the independent expenditure vendors on the October Quarterly Report. This vendor is located in Israel. In FECfile, we entered the full street address in the 'Mailing Address' field and 'Jerusalem' in the 'City' field; these items were included on the report. We selected 'Foreign Country' in the drop down menu for 'State' and FECfile generated the two-letter code 'ZZ' on the report. Because FECfile does not allow us to enter information on specific foreign countries, we are including the requested full address for The Jerusalem Post here:

The Jerusalem Post Building
PO Box 81
Jerusalem, Israel 91000

3) Your letter requests information related to an independent expenditure to Smart Media Group, LLC publicly disseminated on August 27, 2012. Due to an inadvertent error, the 48 hour report associated with this expenditures was filed with the FEC one day late, on August 30, 2012.

Respectfully submitted,

Noah Pollak
Emergency Committee for Israel
